

Sprint Review meeting document for Sprint 1 (include screenshots of what you have done so far in Sprint 1 - Zenhub board, UI, possibly architecture in the solution explorer, any db related info, test explorer, what you talked about in class during the Review meeting with the instructor.)

1. Zenhub board with all completed tasks for sprint 1.

Completed issues	Started New Issues	Completed Closed	Completion time	Estimate
Create DB CSCE361_voting_system_group_3 #9	Apr 8	Apr 10	2 days	
Set up CI CSCE361_voting_system_group_3 #15	Apr 9	Apr 16	7 days	
Query - Push vote to DB CSCE361_voting_system_group_3 #10	Apr 8	Apr 16	8 days	
Query - Pull results from DB CSCE361_voting_system_group_3 #11	Apr 8	Apr 16	8 days	
Query - create new candidate CSCE361_voting_system_group_3 #13	Apr 8	Apr 16	8 days	
Create a login view CSCE361_voting_system_group_3 #5	Apr 8	Apr 16	8 days	
Voter view CSCE361_voting_system_group_3 #7	Apr 8	Apr 16	8 days	
Results view CSCE361_voting_system_group_3 #6	Apr 8	Apr 16	8 days	

2. The example of the poll that we are planning to have. We are still thinking of ways to make it look and work well.

3. The login page for the Voting System.

 Voting System
